The arbitrator's decision and award is final and binding, with limited exceptions, and judgment on the award may be entered in any court with jurisdiction. The federal or state law that applies to these Terms will also apply during the arbitration. Disputes will be arbitrated only on an individual basis and will not be consolidated with any other proceedings that involve any claims or controversy of another party, including any class actions; provided, however, if for any reason any court or arbitrator holds that this restriction is unconscionable or unenforceable, then the agreement to arbitrate doesn't apply and the dispute must be brought in a court of competent jurisdiction in New York, New York. Either party may, notwithstanding this provision, bring qualifying claims in small claims court. Miscellaneous: The invalidity or unenforceability of any provision of these Terms will not affect the validity or enforceability of any other provision. Headings are solely for convenience of reference and will not be deemed to affect in any manner the meaning or intent of the documents or any provision hereof. In the event that any provision of the Terms is determined to be invalid or otherwise unenforceable or illegal, the other provisions will remain in effect and will be construed in accordance with their terms as if the invalid or illegal provision were not contained herein. The Released Parties' failure to enforce any term of these Terms will not constitute a waiver of that provision. Eligible Participants agree to waive any rights to claim ambiguity of these Terms. In the event there is a discrepancy or inconsistency between disclosures or other statements contained in any Offer-related materials, privacy policy or terms of use on any website, social media platform or application and/or the terms and conditions of the Terms, the Terms shall prevail, govern and control and the discrepancy will be resolved in Released Parties' sole and absolute discretion.
