Loan Interest Rate & Fees

Your **starting interest rate** will be between

2.94 %

and

9.99 %

After the starting rate is set, your rate will then vary with the market.

The **maximum rate** on the TruFit Student Loan is the greater of 21.00% or Prime plus 9.00%.

Your Starting Interest Rate (upon approval)

The starting interest rate you pay will be determined after you apply. It will be based upon your credit history and other factors (chosen repayment option and co-signer credit, if applicable). If approved, we will notify you of the rate you qualify for within the stated range.

Your Interest Rate during the life of the loan

Your rate is variable. This means that your rate could move lower or higher than the rates on this form. The variable rate is based upon the one-month London Interbank Offered Rate ("LIBOR") published in the The Wall Street Journal on the twenty-fifth day, or the next business day, of the preceding calendar month. For more information on this rate, see the reference notes.
